## List of Smarthome Devices to Stay in the Home

<i>Quantity</i>	<i>Device Type</i>	<i>Brand</i>	<i>Special Instructions</i>
1	Dimmer Switches		
2	On/Off Switches		
3	AC Outlets		
4	Smart Bulbs		
5	Thermostats		
6	Smoke Detectors		
7	Outdoor Sprinkler Controller		
8	Door Locks		
9	Garage Door Opener		
10	Door Bell		
11	Pool Equipment Controller		
12	Window Blinds		
13	Home Security Alarm		
14	Security Camera		
15	Ceiling Fans		
16	Hot Water Heater		
17	Heating / Air Conditioning		
18	Appliances		
19	Solar		

Only list smarthome items that are controllable with a smartphone or computer

In most cases, the best way to remove these devices from the seller's phone App is to have them go into each App and remove all the devices while their network is still up and running

Give a copy of this to the Buyer so that they know which Apps to download to set up their new smarthome
